

Please read and complete the following on behalf of your child who must be a minimum age of 12 years old:

**TEAMFORCE UK LTD - PAINTBALL CENTRE REGISTRATION FORM (under 16 years of age)**

I agree to allow my child,

**Name of Child** .....

To participate in the paintball event entirely at their own risk recognising there are hazards in the woods such as fallen trees, sharp objects, holes, trip hazards etc. and that pellets can bruise or on rare occasions, break skin that he/she shall at all times indemnify the operators in respect of death, personal injury or other accident, illness or damage to persons or property, howsoever this may arise or be caused. An accident book is available and any injury to a participant must be notified to the operator, recorded in it and signed by the injured person or their representative. I understand that vehicles are parked at owners' risk and I note the inadvisability of wearing jewellery that may become entangled or otherwise cause injury during the event. I understand that any paintballs that are purchased during the day become the players responsibility from the time of purchase; the organisers shall not be responsible for replacing any paintballs that might become lost, stolen or accidentally broken. I confirm and agree that he/she will never deliberately shoot anyone in the face or head, or at a distance of less than three metres; that he/she will wear their goggles and not remove them in the playing area and that he/she will obey all reasonable requests of the Centre's marshalling personnel. I accept it is the player's responsibility to ensure that the goggles that he/she will be issued with fit properly, and that the straps are adjusted so as to hold them sufficiently tightly against their face to prevent them slipping when in use. If in any doubt about how to adjust the goggles, he/she will immediately seek advice from a member of the marshalling staff. Under no circumstances will he/she participate in any part of the paintball event if their goggles are not, at all times, held firmly against their face. **I accept that if he/she removes his/her goggles for any reason whatsoever when in the gun or game zones, he/she will be excluded from participating in the activity for the remainder of the day and that no refund will be given and no excuse accepted.** I accept that the division of guests into teams is at the discretion of the Centre Manager who will take their wishes into consideration, but will make the final decision using his/her own discretion. I accept that in order to exercise my right to play I will need to purchase paintballs; I also understand that if I do not have any paintballs, I cannot play in any further rounds. I accept that paintballs are sold in bags or scoops of approximate quantity only. These measures are not exact; any reference to a price per ball is taken as an approximation only. Any shortfall should be reported to the Manager immediately; any excess is yours to enjoy. I accept that only paintballs supplied by Teamforce, on the day of your visit, may be used at the Centre.

**Please note, photos may be taken for promotional purposes at the centre. Please inform the centre manager if you don't want your child to be included. (Use Block capitals to fill out the form please)**
